- Insurance has been paid as well as newsletter costs

MRPG OLD BUSINESS

- 2ft Draw down application was submitted by the Town last week, no State response as yet.
 - Estimated cost of \$1,600- \$1,800 (possibly use town monitor rather than state to reduce cost?)
- Grass Carp
 - No new update. Still no response from State. Will continue to contact and will contact Irene Haines to see if she can assist. Maybe Wayne can contact Sen. Needleman.
- 528 Newsletters were sent out. Town also made copies and had them available. Feedback was that it was well received, received some donations, although only added two new members. Considering tying the newsletter in with the Quarterly Events flyer and/or making it a quarterly publication – i.e. next one would be after the boat parade in August.
- Would like to offer the Boating Safety Course again this year – Jim with check into

MRPG NEW BUSINESS

- Suggestion was made to display the weed trailer in order to show the amount of weeds being removed and possibly posting on Facebook.
